## Cancellation Policy in Winter Weather

In the event that bad weather makes it necessary to cancel church activities or worship services, these are the ways you will be notified:

- A phone call from a Deacon or other member of our congregation.
- Mountville Church of the Brethren website.
- Facebook notice.

Cancellation notices will be posted no later than 8 a.m. If you are unable to access any of these methods, please call Becky Fuchs, Harry Light, Tom Musser, or Larry Booz.

Decisions to cancel are made jointly by the Chair of Stewards, Harry Light or Jerry Bushong; the Moderator, Forrest Collier; the Leadership Team Chair, Larry Booz; and the Pastor. The decision is made after carefully considering the weather forecast and the condition of the roads in Mountville and our parking lot.

**It is our hope that all persons will give priority to their health and safety when making a decision about traveling to church activities and worship services when the weather and road conditions are not optimal.**

# Health Ministry Corner: Protect Yourself from Colds and Flu

Viruses that cause common colds and flu can spread easily from the infected person to others. You can get these viruses from secretions in the air and from close personal contact. For instance, if you shake hands with someone who is sick, or if you touch a doorknob that an infected person has touched, and then you touch your face, you can transfer these terms to yourself!

According to the Centers for Disease Control and Prevention, there are ways to help prevent getting colds and the flu:

1. Get a flu vaccination!
2. Wash your hands frequently with soap and water or alcohol based hand sanitizer for 20 seconds.
3. Avoid touching your nose, eyes, and mouth . . . germs can enter your body through these openings.
4. Stay away from people who are coughing and sneezing.

If you are sick, you can help prevent the spread of colds and flu:

1. Stay home if possible.
2. Cough and sneeze into a tissue and dispose of it in a trash container, or cough and sneeze into your arm and shirt sleeve, which prevents the secretions from spreading into the air.
3. Wash your hands often and after sneezing and coughing.
4. Disinfect frequently-touched surfaces such as doorknobs, where germs can live for hours and even days!

## Continuing Our Vision Update

MCOB received COVT contributions totaling \$31,450 from Mountville members and friends for the period of October 1, 2015 through December 31, 2015. The faithful, steady giving of our congregation has now reduced our total debt obligation by about two-thirds. As of the end of 2015, our debt stood at exactly \$411,437. This number represents \$109,991 in principal reduction during 2015. A good way to stay apprised of our declining debt status is occasionally to glance at the COVT chart on the wall above the water fountain in the upper narthex and watch the red line descend toward zero!

## Bits 'n Pieces

We extend our sympathy to the family of Mary Diehl who died on December 17. Mary was a member of our congregation for over 50 years and her funeral service was held in our sanctuary on January 8.

Dave and I thank you for the many Christmas and wedding anniversary cards sent to us this holiday season. We are grateful and feel blessed to be part of a congregation who is so thoughtful and loving. - Becky Fuchs

Thank you for all the prayers and cards for mom while she was sick. Also a thank you for the prayers, cards and kind words to our family during her funeral. Thank you to the wonderful ladies and gentlemen who worked so hard to provide a warm and delicious lunch for our family and friends. In Christ's love, Duane and Nadine Diehl, son and daughter-in-law of Mary Diehl.

From the *Hempfield Pantry*: During the 2015 year, your members contributed 384 pounds of food to the pantry. **The pantry as a whole processed 239,467 pounds of food in 2015**; that represents **199,556 meals** if calculated at 1.2 pounds per meal, a Dept. of Agriculture method.

### *Joyous Songs Resounded*

Over 25 children, youth and adults gathered on December 13 to go Christmas caroling to friends and members of our congregation at Susquehanna Valley Rehab Center, at Brethren Village and at many of their homes. After they sang until they could sing no more, the group enjoyed hot chocolate and yummy treats at the home of Becky and Dave Fuchs. Those who caroled will tell you that they received a gift of far more magnitude than the gift of time they gave. Everyone is welcome to join us next year as we fill the halls and driveways of our brothers and sisters in faith with songs of great joy!

### **Generous Birthday Gifts for Jesus**

This Christmas season we gave thought to the ways in which we could celebrate Christmas and honor Jesus. Prior to Christmas Eve, we invited everyone to consider spending less on material gifts and give what was saved towards gifts that would please Jesus, since Christmas is really Jesus' birthday! **The birthday gifts for Jesus this Christmas season totaled just over \$6,000.**

These generous gifts will be sent to Brethren Housing Association in Harrisburg and the Nigeria Crisis Fund. Thank you for your openness to the Spirit moving among us and for your generous gifts to Jesus and the people for whom he has asked us to care.
