CWS & MCOB: A CHANGING RELATIONSHIP; RESPONDING TO THE NEEDS OF THE WORLD

We have built a wonderful relationship with Church World Service (CWS) over more than a decade, particularly through our kit ministry, financial donations, and refugee resettlement efforts. However, in 2025, the kind of support that CWS needs has drastically changed. Due to funding cuts, CWS, a faith-based organization working in communities to respond to hunger, poverty, displacement and disaster, finds itself in need of more flexible kinds of help. After several conversations with them, we have learned that we can better meet their needs and the needs of those they minister to through financial assistance, which they can allocate and direct in response to urgent requests. The Outreach Ministry Team is recommending that we, as a congregation, focus on our financial gifts to CWS, increasing them as we are able. During the month of June, we will be focusing on Hygiene Kits and in the narthex, you will see a display about how and where our financial gifts make a difference. Please mark envelopes with your donations: Hygiene Kits Projects. CWS will determine the best use of those funds, and assemble needed kits on site to meet the demands of our neighbors locally and around the world. Thank you in advance. Questions: See Dianna Zimmerman or another member of the Outreach Ministry Team. - Lois Silver, member of Outreach Ministry Team
